Course Description

Faculty of Marxism

Course Code: 171000040

Course Name: Introduction to Modern Chinese History

Credit/Hours: 1.5/24

Textbooks:

Writing Group. Introduction to Modern Chinese History. Higher Education Press , Year 2015

Reference Books: Mao Zedong. Mao's Selected Works. people's publishing Press, Year 1991

Course Description:

INTRODUCTION TO MODERN CHINESE HISTORY is a general political course for the first year undergraduates in university level, aiming to give students a general idea about the basic theories and framework of modern Chinese history. It is also a prerequisite for Introduction to

Marxism ,Mao Zedong Thoughts and the Theoretical System of Socialism with China Characteristics. It covers the struggle against the foreign aggression, the early search for the future destiny of China, the 1911 Revolution and the abolishment of the institutional monarchy dictatorship, the earth-striking changes, the new road of the Chinese revolution, the Resistance War against Japan, and the efforts for a new China.
